

Below is a detailed summary of the taxes and mandatory contributions that a medium-size company must pay or withhold in a given year, as well as administrative burden in paying taxes and complying with postfiling procedures.

This information was collected as part of the [Doing Business project](#), which measures and compares regulations relevant to the life cycle of a small- to medium-sized domestic business in 190 economies. The most recent round of data collection was completed on June 1, 2016 covering for the Paying Taxes indicator calendar year 2015 (January 1, 2015 – December 31, 2015).

[Compare Albania to 189 other economies.](#)
